2014 Dickson Club Championships - Conditions of Entry

1. This entry form must be accompanied by payment. **No Pay, No Play.**
2. The tournament committee will endeavour to ensure all players in the singles and doubles event are given three (3) matches, however this cannot be guaranteed due to player forfeits and late pull-outs.
3. Players may nominate a grade, however the tournament committee will group players into grades, based on the 'natural grouping of players', using the "Squash Matrix" ranking (where a player has a ranking).
4. A player's entry may not be accepted if they played in ACT SRA Senior Pennant competition for another club other than Dickson. This will generally be determined on whether the player played for another Canberra club in the autumn season, immediately prior to the Club Championships.
5. The competition committee reserves the right to refuse any player's entry for whatever reason they deem appropriate.
6. It is the player's responsibility to check their playing schedule- prior and during the tournament. The committee will endeavour to contact all players before the start of the club championships to advise them of their first game time, but this may not be possible.
7. Players are required to report to the control desk at the Dickson Squash Centre no later than 15 minutes prior to their match.
8. Players are required to mark/referee the match following your own completed match. Some players are also asked to come in early to mark/referee first matches of the day.
9. Protective eyewear is compulsory for all entrants playing in the doubles event, and all Junior players.
10. The Tournament Director is Paul Cartwright (m) 0408949369;
