Upcoming Events

By now some of you may have heard about some of the upcoming events at the Club.

Mid-Season Competitions

As always Dick will be running his world-famous mid-season competitions.

The first one is the **Tuesday night Mixed Singles** social competition .

It begins on 1 July 2003 and on ends 5th August 2003 (6 rounds)
Total cost will be \$42.00 per player, which includes court hire for the duration of the competition

The second (and most popular) is the **Thursday night Mixed Doubles** competition

It begins on 3 July 2003 and ends on 7 August 2003 (also 6 rounds)
The entry fee of \$50.00 is some of the best value going around. It includes court hire, prizes for the winners in each Division (as well as other categories) a supper every night fit for a King & Queen and all balls supplied.

For all of these events it is important to get in early, as they fill quickly. Dick O'Rourke will be calling for entries a bit closer to the date, so keep an eye on the scoreboard at the club, your e-mail or your letterbox for more information.

For many years now the best value squash around Canberra has been our club practice for \$4.

If you think your game needs some fine-tuning, come on down anytime between 2 and 6 on Sundays for as much squash as you can handle!

2003 CLUB CHAMPIONSHIPS

This year, like every other year, will also see the convening of the Dickson Squash club championships.

And this year we are going to try something a little different.

In years past we have held all of the matches over a very short period—often only a few days—in between the various pennant and social competitions. This year we are going to spread the event over 2 weekends, with separate days (and nights) for both the singles and doubles events. This will make the tournament a little easier to run, as well as ensuring that there is sufficient time to run all of the matches (and allow people time to recover!).

Single events

From 12.00pm - Sunday 25 May & 7:00 pm Friday and Saturday 30 / 31 May

Doubles events (Eyewear compulsory)

From 7:00 pm Friday 23 May and noon Saturday 24 May

Finals for both singles & doubles will be from 10.30am on Saturday 31 May.

Entry forms are out now and as always the highlight will be the **dinner on Saturday 31 May**. So get in early and make give yourself a chance to get your name on the honour board!

2003 AUTUMN PENNANT

For those of you who like to plan your squash a long way in advance.....

The next (winter) **pennant** begins on Tuesday 12th August 2003 and runs through to the second week in December. As per this season, it is expected that the current split of four person teams to Div 9 and three person teams from Div 10 and lower yet will continue.
